-- State Agencies --

Massachusetts Office of Business Development,
Northeast Region

600 Suffolk Street, Lowell MA 01854

Telephone: 978-970-1193

Fax: 978-970-1570

E-Mail: mobd@state.ma.us

Web: www.magnet.state.ma.us/mobd

MOBD provides information, guidance, and coordination efforts on everything from site selection and permitting, to financing and workforce development assistance. They help businesses cut through red tape and secure available support from a variety of both public and private sources. The mission is to assist in the creation and preservation of jobs in Massachusetts. MOBD helps businesses currently located in Massachusetts, as well as those outside the state that are interested in expanding, relocating, or simply exploring a range of business opportunities here. MOBD is also the agency principally responsible for the Economic Development Incentive Program (EDIP). MOBD's five regional business centers and satellite operations provide a full array of services which include: professional responses to all business inquiries; facilitation of the regulatory, permitting and licensing processes; accessibility to federal, state, local and private financial resources; general information on starting a business in the Commonwealth; identification of training and recruitment resources; site selection service; focused industry and geographic specialization; and one stop environmental permitting.

Web: <http://www.msbdcn-ne.org>
The SBDC was created to pool the resources of
federal, state and local government, academic
institutions, and the private sector to provide small
businesses with high quality technical assistance
and educational programs. The mission is to engage
in individual counseling, training and economic
development activities that contribute to the
improvement of the economic climate for small
businesses in the Commonwealth. The MSBDC's
focus is on the maintenance of, and the creation of,
viable small businesses and the jobs the businesses
create.

Massachusetts Technology Collaborative

75 North St, Westborough MA 01581

Telephone: 508-870-0312

E-Mail: mtc@mtpc.org

Web: www.mtpc.org/

The MTC is an economic development organization established by the Board of Directors of the state-created Massachusetts Technology Park Corporation (MTPC) to foster sustainable economic growth by promoting a better understanding of the forces that shape the state's economy, and by enabling greater collaboration among the diverse enterprises involved in the Commonwealth's knowledge-based Innovation Economy. MTC serves as a catalyst in forging collaborative initiatives among industry, universities and state government that foster a more favorable environment for the attraction, formation and expansion of technology-intensive industries.

Massachusetts Technology Development Corporation

148 State St, 9th Floor, Boston MA 02109

Telephone: 617-723-4920

Fax: 617-723-5983

Web: www.mtdc.com/

The Massachusetts Technology Development Corporation (MTDC) was created as an independent public agency that provides venture capital financing to early-stage technology-based companies located in Massachusetts. MTDC generates significant employment growth in the state by investing in new and expanding companies unable to secure capital from more conventional sources. MTDC makes both debt and equity investments, usually in the form of subordinated debt or through the direct purchase of common stock, preferred stock, or warrants.
