

PETITION FOR WARRANT ARTICLE

To see if the Town will vote to amend the Lexington Zoning By-law in amending (1) the required depth or width (in feet) of transition area in the CM and CRO district; (2) the parking space, driveway and maneuvering aisle setback from street line in the CRO, CLO and CM district; and (3) minimum front yard in the CRO and CM district, by undertaking the following action:

“In Section 135-54 (C) by changing the required depth or width (in feet) from “50” to “25” of transition area under the column entitled “Street Line” in both the CRO and the CM district;

In Section 135-67 B. (2) by changing the distance in feet parking space, driveway and maneuvering aisle must be setback from the Street Line from “50” to “25” in the CRO, CLO and the CM districts;

In Table 2, Schedule of Dimensional Controls, on the line "Minimum front yard in feet", under the column headed CRO and CM by striking out the number “100” and “75” respectively, and by inserting in place thereof the number “50” or take any other action relative thereto.”

By Petition of not less than ten (10) registered voters of the Town of Lexington
