After Town Meeting adjourned at 9:50 pm, the Planning Board reconvened to discuss strategy for bringing up Article 5 at Town Meeting on Wednesday, March 29. Mr. Hornig suggested discussing the matter in more detail after the second public hearing on Article 7 at the Board's meeting on Tuesday, March 28th. Mr. Galaitsis explained that his proposed amendment to Article 5 would strike out the waiver provision and change the ISR percentages to 17% in the RO district and 22% in the RS and RT zones. He said he would email his amendment to the Board and staff the next day. The Board agreed to continue its discussion of Article 5 the next evening in the hopes of coming to some compromise solution that the whole Board could support.

On a motion duly made and seconded, it was voted to adjourn the meeting at 10:00p.m.

Anthony G. Galaitsis, Clerk
